

Belonging Action Studio

Choose three actions our class should practise first - and explain why.

YOUR GROUP MISSION

Read every card. All six matter. Choose three your class needs this week.

INVITE

Ask someone to join.

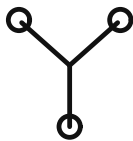

LISTEN

Make room for a full answer.

EXPLAIN

Help make the task clear.

OFFER CHOICES

Give more than one way to join.

MAKE SPACE

Move so another person can enter.

SAY NAMES WITH CARE

Learn and say names with care.

2 RANK THREE: 1 = we need this most. There is no one right order.

My Belonging Action

Draw one action happening. Explain why it helps. Name your first step.

THE WHOLE JOB - IN PLAIN LANGUAGE

Draw one real moment. Then explain why it helps and write your first step.

1 CHOOSE ONE ACTION

☐ invite

☐ listen

☐ explain

☐ offer choices

☐ make space

☐ say names with care

2 DRAW THE ACTION HAPPENING

Use people, space, speech bubbles, labels, or arrows. Make the action clear without needing to explain it aloud.

3 EXPLAIN WHY IT HELPS

This helps people join, learn, or belong because...

4 CHOOSE YOUR FIRST STEP

One first move I can try is...

Our Belonging Commitments

Choose two or three actions to practise together, then set a check-back.

SHARING IS A CHOICE

I want to share with: ☐ a partner ☐ my teacher ☐ the class ☐ not sure yet

Teacher Guide: Print + Project Map

Match every Hub screen to the exact page and copy count.

COPY PLAN

PAGE	COPIES	PURPOSE
1	1 per group	Six action cards + ranking. Use at RANK.
2	1 per student	Full-size action studio. Use at DRAW. Do not print four-up.
3	1 class copy	Teacher-led commitments + check-back. Use at SHARE.
4-5	1 teacher copy	Launch map, model, care notes, evidence, and source.

EXACT HUB SCREEN MAP

HUB LABEL	SCREEN TITLE	USE
LOOK	Which side feels fair?	Project Hub screen. No PDF page.
RANK	What would help this week?	Hand out page 1 - one per group.
DISCUSS	Same, fair, or it depends?	Project Hub screen; use room corners. No PDF page.
DRAW	Draw one belonging action happening	Hand out page 2 - one per student.
SHARE	Choose what we will practise	Use page 3 - one class copy.

BEFORE STUDENTS ARRIVE

Open the Hub lesson. Cue B.C. video Episode 4 if using it. Prepare SAME / FAIR / IT DEPENDS corners. During Grade 6 rotation, keep each named page 2 with the student's handoff materials.

Teacher Guide: Model, Notice, Revisit

Model one move, protect student choice, and revisit commitments.

MODEL ONE MOVE - ABOUT 60 SECONDS

Choose INVITE. Sketch two stick figures with an open spot. Say: 'I am drawing the action happening - not decorating the word invite.' Then add: 'This helps because...' and one first step.

TEACHER MOVES

Ask, 'What makes you say that?' Separate barriers from personal deficits. Invite several ways to contribute. Count ideas without ranking artwork.

DEBRIEF

What would our top action look or sound like tomorrow? What detail makes it understandable? What will we check next week?

COLLECT / NOTICE

One named action studio per student; two or three class commitments; one check-back date. Optional: a student-chosen SpacesEDU photo.

CARE

Students may use fictional or general examples. No student needs to share an identity, diagnosis, or personal experience. Sharing the page is a choice.

Evidence: action page + shared commitments + one-week check-back. The learning lives in what changes next, not in the artwork alone.
