Sign 6

Wayfinding Sign Studio

Choose a familiar school place. Try two picture strategies, test without words, and revise.

TARGET: ☐ library ☐ office ☐ water ☐ washroom ☐ help ☐ gym ☐ other

PICTURE STARTERS: object clue - person doing an action - arrow + landmark - simple border or shape

TRY 1 - OBJECT OR PLACE

TRY 2 - PERSON / ACTION

PARTNER GUESS

Test before adding words. Partner writes what they think it means.

MY GUESS: _____

☐ SURE ☐ UNSURE

FINAL SIGN - USE THE FULL SPACE

Add one school-approved label. Add a translation only when your teacher provides approved wording.

ONE VISIBLE REVISION I MADE AFTER THE TEST:

Teacher Quick Start: Signs Everyone Can Understand

Do not copy this page. Open the source, model one move, then hand out only the student pages needed (1-2).

READY

One page 1 per group and one page 2 per student or pair. Keep the teacher key hidden during page 1. Assign one real space or routine.

MODEL ONE MOVE - ABOUT 60 SECONDS

Point to sign 1 with its label covered. Say: 'I see an open book, so I predict library. The picture gave me evidence.'

1 RUN IT

1

Guess six signs using pictures only.

2

Choose an assigned place or routine.

3

Try two picture strategies.

4

Partner guesses; designer makes one visible revision.

DEBRIEF

What clue made the sign clear? What confused the partner? Would a picture, arrow, short label, or verified translation help?

COLLECT / NOTICE

Teacher key: 1 library, 2 office, 3 water, 4 washroom, 5 help, 6 gym. Treat work as a mock-up until administration approves public display.

CARE

Never ask multilingual students to translate or represent a language. Adults verify all translations.
